

Evaluation form

Respected Client this feedback is important to us for our further improvement and for the development of the T&P Consultants' Team. That is why we're asking you personally to complete this short evaluation form and provide your honest opinions regarding our work.

Please send us your post assignment assessment at info@tpconsulting.com.mk.

Company	T&P Consulting	
Project	Implementation of Integrated Management System in Alfa Digital	
Contract period:	From: 01.06.2011	To: 02.03.2012
Reviewer:	Jelena Mihailovic, Project manager	

Please provide a short description of the duties responsibilities and/or roles the consultant company fulfilled for your organization:

- Creation of business case for implementation of various standards based on a gap assessment of the following management systems:
 - Quality management system (QMS) based on ISO 9001:2008
 - Environmental management system (EMS) based ISO 14001:2004
 - Information Security Management System (ISMS) based on ISO 27001:2005
 - IT Service Management System based on ISO 20000:2005
- Design and implementation of solid and comprehensive framework for the Integrated Management System consisted of the mentioned standards (framework / manual, process model, documented processes and procedures, trained staff, implementation of the system and control of the system thru internal audit and management review)
- Capacity building of the internal audit team and facilitation of the first internal audit of the IMS
- Readiness for certification of the Integrated Management System based on relevant standard by independent certification body
