
To Whom It May Concern

It is my great honor and pleasure to express my positive experiences with TRAJKOVSKI & PARTNERS CONSULTING.

I would like to take the opportunity to describe the work that T&P Consulting performed for Orion Telekom.

T&P Consulting was contracted to provide their services for the Implementation of integrated management system in Orion Telekom based on the standards ISO 9001:2008, ISO 20000-1:2011, ISO 27001:2005 and ISO 22301:2012. We hired T&P Consulting because of their extensive expertise in this field.

The quality of their work consistently exceeded our expectations. They carried out their services in a proficient way, which enabled successful completion of a very comprehensive and extensive task.

T&P Team is highly functional, extremely hard-working and tenacious. They managed to accomplish a tremendous amount of quality work even in short timelines. This team is also characterized by excellent communication and leadership skills. Their unique skill set was invaluable to us. I would describe them as fiercely dedicated to their clients.

The successful completion of the project had a large positive impact to the business. They completed the work with the highest level of honesty and integrity. We are extremely pleased with the work that the team of T&P did for us and we will consider them in the future if there is a need for any service that they provide.

Overall, T&P Consulting was a tremendous contributor to the success of the Implementation of IMS.

I would give T&P Consulting my highest recommendation.

Sincerely,
